Hosting a Holy Hour

If you would like to host a Holy Hour, we would be very grateful for your support.

If you are having your Holy Hour virtually and particularly if you are going to host this on Facebook Live, it would be helpful if you could share the following wording with the live stream:

A Holy Hour for the work of Mary's Meals

#PrayForMarysMeals

We have several resources available if you would like to use them. See Stories from the Communities opposite.

Thank you for taking the time to pray for the work of Mary's Meals. If you need anything further, please do not hesitate to contact us.

Digital
background

“To go to school is absolutely important as it makes us learn and be positive contributors to society. Reading and writing are my favourite things about school.”

“During the Covid-19 pandemic, if we were not receiving the take-home rations, I could have felt hungry and gloomy that we were not in school. But this porridge gives me strength and I felt happy.”

Lenia, Malawi

“I feel fulfilled when the kids come and queue in line to receive their meal. The provision of food here in our school is very good, it makes the children ask their parents to send them to school. Life without school and the feeding programme would be very sad.”

Bendu, Volunteer cook, Liberia
